

Job Description

Position title:	Health Improvement Practitioner
Reports to:	Team Leader Mental Health and Wellbeing
Direct Reports:	Nil
Functional Relationships:	<ul style="list-style-type: none"> • Te Awakairangi Health Network (TeAHN) staff • General Practitioners, Practice Nurses, and other general practice staff • Iwi, Māori communities and providers • Pacific communities and providers • Community Providers • Other general practices participants in the demonstration project • Non-Government Mental Health Organisations • Secondary (DHB) Mental Health and AoD Services • Social Services • Other Health Services as required.

Te Awakairangi Health Network (TeAHN)

The organisation is located at 330 High Street, Lower Hutt and operates in various other locations around the Hutt Valley.

Treaty of Waitangi: Te Awakairangi Health Network is committed to meeting its obligations under Te Tiriti o Waitangi and will work towards achieving equitable health outcomes for Māori in the Hutt Valley. We will do this by ensuring services are provided, developed, and implemented in accordance with the Articles of Te Tiriti (oritetanga/equity) and the principles - Tino Rangatiratanga, Equity, Active Protection, Partnership and Options.

Position Summary:

The key purpose of the Health Improvement Practitioner role is to work with a general practice as a regular team member, delivering brief, consultation-based services to general practice team members and general practice patients. To provide brief evidence-based behavioural interventions to individuals, groups and families for both mental health and physical health conditions in people of all ages.

To be actively engaged with utilising an integrated 'Stepped Model of Care' that supports clients' needs and enables them to move seamlessly between services in general practice and, if needed, community based, NGOs and specialty services such as secondary mental health and addiction services.

To work with other Health Improvement Practitioners, Health Coaches, and support workers to deliver a holistic service which addresses clients' needs as they arise and supports the concept of 'warm handovers' within the general practice setting.

To support the Greater Wellington Region Collaborative (GWRC) roll out of the model within the Wellington region.

Key Functions	Expected Outcomes
<p>General Practice Team Participation <i>Active participation within the general practice team and support for building team competence in mental health and addictions</i></p>	<ul style="list-style-type: none"> • Develop and maintain effective working relationships within the general practice and with external stakeholders. • All general practice meetings for the general practice team are attended • Seeks and acts upon opportunities to educate self and other general practice team members • Close working relationship with the general practice's health coach and support workers is developed • Consultation/liaison is provided to general practice team • Clear documentation of all general practice-related activity
